

2016 Pebble Beach COMMUNITY-WIDE YARD SALE

The **Pebble Beach Homeowners Association (PBHOA)** is conducting its **2016 Pebble Beach Community-Wide Yard Sale** on **June 11** (rain date **June 12th**) for **ALL Pebble Beach** residents.

NOTE: New this year, we are offering the option of using **Crystal Point Peninsula** (at the end of **Tuscarora Ave.**) as a set-up area for participants who choose not to display their items at their own address. Since space is limited, we must limit the number of participants to the first twelve (12) who register to use this area, with a maximum of two (2) tables per participant. You will be asked to verify your registration at the **Check-in table**, prior to setting up. No tables may be set up prior to **7:30 am** on the day of the sale.

The **Yard Sale Committee** is responsible for advertising the sale in the media and through flyers and signs posted at various businesses in the area. Maps, showing the locations of all participants, will be distributed at various locations throughout the town and on the website one (1) day in advance of the sale. Each participant will receive a sale package, that includes copies of the map, a list of the participants and a mailbox sign designating them as an official **Pebble Beach Sale Location**. Tips for conducting a successful yard sale, as well as suggested pricing for various items, are available on the [PBHOA website](#).

The cost to participate is **\$10 per Pebble Beach** address, including those who will be setting up at the **Crystal Point Peninsula**. This fee covers advertising and sale materials, and ensures your listing on the map. The **Registration Form** is available on the [PBHOA website](#). Mail the **Registration Form** and **\$10** check to:
